

## DISTRICT 23 TEACHING AWARDS

- INNOVATIVE METHODOLOGIES/ TECHNIQUES
- OVER ALL EXCELLENCE

Each school is eligible to nominate one teacher, or team of teachers for each of the two Awards. Previous winners are not eligible for the same Award.

The Awards will be announced at the final TBU Council Meeting in June 2024 and special recognition of all award winners will be made through the TBU Bulletin and our social media.

This is your opportunity to showcase teaching excellence in your branch.

**Nominations are to be received in the District Office by Friday, May 24, 2024.** Nominations may be made by non-Board email to [osstfdistrict23@gmail.com](mailto:osstfdistrict23@gmail.com).

The nominations must be made through the Branch President. **No reference** to the name of the teacher/team or the school is to be included in the rationale/nomination submitted. The name of the teacher/team and school are to be attached to the rationale/nomination in a plain envelope if submitted through the Board courier system or dropped off, or in a separate attachment to an email.

The nomination/rationale should be no longer than two pages in length.

The nomination/rationale should outline why the teacher/team is nominated in the Innovative Methodologies/Techniques, or Overall Excellence categories. Only you know what makes this teacher/team exceptional, so share it.
